

# CITY COUNCIL MINUTES

City of Campbell, 70 N. First St., Campbell, California

## REGULAR MEETING OF THE CAMPBELL CITY COUNCIL

Tuesday, July 20, 2021 – 7:30 p.m.

City Hall – 70 N. First Street

This City Council meeting was conducted pursuant to the Governor’s Executive Order N-29-20.

This meeting was recorded and can be viewed in its entirety at: <https://campbellca.gov/agendacenter> and <https://www.youtube.com/user/CityofCampbell>.

### CALL TO ORDER

The City Council of the City of Campbell convened on the regularly scheduled day of June 15, 2021, via telecommunication.

Mayor Gibbons stated that this City Council meeting was conducted pursuant to provisions of the Brown Act and an Executive Order issued by the Governor to facilitate teleconferencing to reduce the risk of COVID-19 transmission at public meetings.

### ROLL CALL

Attendee Name	Title	Status
Elizabeth 'Liz' Gibbons	Mayor	Remote
Paul Resnikoff	Vice Mayor	Remote
Anne Bybee	Councilmember	Remote
Susan M. Landry	Councilmember	Remote
Sergio Lopez	Councilmember	Remote

### PLEDGE OF ALLEGIANCE

Mayor Gibbons welcomed newly hired Executive Assistant to the Chief of Police, Crystle Magami to the City of Campbell.

Crystle Magami, Executive Assistant led the Pledge of Allegiance.

### SPECIAL PRESENTATIONS AND PROCLAMATIONS

- Civic Improvement Commission – Public Art Projects**  
Recommended Action: That the City Council receive a presentation from the Civic Improvement Commission - Explore Art Subcommittee regarding several public art projects to be implemented in the upcoming year and provide feedback.

Civic Improvement Commission Chair (CIC) William Kauffman, Vice Chair Davis Fields, and Commissioner Maryanne Yoshikawa presented the Explore Public Art Program and stated that the Commission is considering four public art projects. First, the Mural Program which is a follow through on the mural painted in 2017 and is meant to enhance Campbell's aesthetics and to support local artists. The CIC is currently building a list of potential locations. Second, the Neighborhood Sign Pilot Program which is a program to design, develop and install entrance signs marking specific neighborhoods, conversations with neighborhood groups have begun. Third, the Art Outside the Box Program which is a sidewalk art program and is meant to be a fun family program that will begin with a contest at the potential upcoming Boogie Festival in Downtown Campbell with the hope to open it up to all Campbell residents in the future. And finally, the Stories of Solidarity Program which is a program meant to partner with the Campbell Museum and local artists to bring out culturally appropriate artwork and encourage dialogue across the City.

Councilmembers expressed appreciation to the CIC for their creative thinking and for their hard work. Councilmembers stressed that the Commission work within City policies and guidelines.

Councilmember Lopez recommended the Commission create strong guidelines and rules for each program and recommended the Commission suggest themes for artists to use in developing their artwork.

Councilwoman Landry expressed concern relating to the Neighborhood Sign Pilot Program and requested additional conversations and guidance from Council on standards and policies before there are too many conversations had with neighborhood groups.

Vice Mayor Resnikoff expressed support for the Neighborhood Sign Pilot Program and suggested the Commission review the Traffic Calming Program guidelines as a good example of how to gain consensus in a neighborhood. Vice Mayor Resnikoff suggested the Commission reach out beyond the neighborhood associations as many residents are not members.

Mayor Gibbons expressed support for the Mural Program and the Art Outside the Box Program and cautioned the Commission on the Stories of Solidarity Program considering many topics could be seen as controversial and that they should be brought to Council for consideration. Mayor Gibbons stated that she does not support the Neighborhood Sign Pilot Program as there is some overlap with the General Plan.

In response to an inquiry, Margarita Mendoza, CIC Staff Liaison clarified that the City could serve as the fiduciary representative for these programs and any donations to these programs would be considered tax deductible as long as they were used for a public purpose.

## **COMMUNICATIONS AND PETITIONS**

There were no communications or petitions.

## **ORAL REQUESTS**

Wayne Firsty, Campbell resident, expressed concern about an affordable housing project being built along the San Jose/Campbell border and asked the Council to stay abreast of the project and work with the City of San Jose on potential impacts of the project for Campbell residents.

## **COUNCIL ANNOUNCEMENTS**

The City Clerk's Office is currently accepting applications for vacancies on the Planning and Civic Improvement Commissions. To be eligible for appointment for these volunteer advisory commissions, applicants must reside within Campbell City limits and be at least eighteen years of age. For more information, please contact the City Clerk's office at (408)866-2117 or visit our website at [campbellca.gov](http://campbellca.gov). The application deadline is 5:00 p.m. Friday, July 30, 2021.

The 37<sup>th</sup> annual National Night Out, sponsored by the National Association of Town Watch, will be held on Tuesday, August 3, 2021, from 6:00 p.m. to 9:00 pm. Join Police staff and neighborhood groups, in celebrating this amazing community building event. For more information, or if you plan to hold a neighborhood event, please call (408)866-2171.

The San Francisco Bay Area Affiliate of Huntington's Disease Society of America (HDSA) will host the San Jose Team Hope 10K Run/5K Walk, 7:30 a.m., Saturday, September 18, 2021, at Campbell Park. All proceeds support HDSA's mission to improve the lives of people affected by Huntington's Disease and their families. For more information and to register, please visit [www.hdsa.org/thwsanjose](http://www.hdsa.org/thwsanjose).

Join the Campbell Museum for a virtual tour of Monterey's Lower Presidio. On Friday, July 23, 2021 from 6:00 p.m. to 7:00 p.m., historian and volunteer, Tim Thomas will explore the history of the Spanish Military of the Presidio of Monterey. Registration is required please visit [campbellmuseums.com](http://campbellmuseums.com) for event information and registration.

The museum is seeking volunteers to help support reopening and special events. If you are interested in sharing your time and talent, please contact [annar@campbellca.gov](mailto:annar@campbellca.gov).

Help make water conservation a California way of life. The Santa Clara Valley Water District (Valley Water) offers workshops & events designing and developing sustainable landscapes and gardens. Campbell is reviewing its ordinance for compliance with Valley Water's recommendation for a 15% reduction in water use.

Protect your yard from dry weather by transforming your lawn into a beautiful water wise landscape. Rebate amounts of up to \$2,000 for homes and \$50,000 for businesses are available. For more information about upcoming events and available rebates, please visit [valleywater.org](http://valleywater.org).

## **CONSENT CALENDAR**

Mayor Gibbons asked if there was anyone who wished to pull an item off the Consent Calendar.

Items 4 and 5 were pulled from the Consent Calendar.

The Consent Calendar was considered as follows:

2. **Minutes of City Council Regular Meeting of June 15, 2021**

Recommended Action: Approve the Executive Session and Regular Meeting minutes of June 15, 2021.

This action approves the Regular Meeting minutes of June 15, 2021, including Desk Item 2.

3. **Approving Bills and Claims**

Recommended Action: Approve the bills and claims in the amount of \$3,751,888.30.

This action approves the bills and claims in the amount of \$3,751,888.30 as follows: payroll checks dated May 27, 2021, in the amount of \$70,594.57; bills and claims checks dated May 31, 2021, in the amount of \$955,840.44; bills and claims checks dated June 7, 2021, in the amount of \$320,190.83; payroll checks dated June 10, 2021, in the amount of \$36,639.35; bills and claims checks dated June 14, 2021, in the amount of \$302,047.72; bills and claims checks dated June 21, 2021, in the amount of \$990,579.47; payroll checks dated June 24, 2021, in the amount of \$59,129.98; and bills and claims checks dated June 28, 2021, in the amount of \$1,016,865.94.

**M/S: Resnikoff/Landry – That the City Council approve the consent calendar, including Desk Item 2, with the exception of items four and five. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [UNANIMOUS]</b>
<b>MOVER:</b>	Resnikoff
<b>SECONDER:</b>	Landry
<b>AYES:</b>	Gibbons, Resnikoff, Bybee, Landry, Lopez

## **ITEMS CONSIDERED SEPARATE FROM CONSENT**

4. **Consideration of a New Public Street Name – Oak Tree Circle (Resolution/Roll Call Vote)**

Recommended Action: That the City Council adopt a Resolution accepting the recommendation of the Civic Improvement Commission (CIC) and approving a new public street name of Oak Tree Circle.

City Manager Brian Loventhal explained that during the Civic Improvement Commission's (CIC) review of this item, a Commissioner declared a conflict of interest and recused himself from participating in this item. However, this commissioner did participate in the discussion leading up to the vote on this item but did not participate in the final vote. City Manager Loventhal explained that Council now has three options to rectify this situation: 1) Council may hear this item tonight and accept the CIC's recommendation as it normally would; 2) Council may consider an amended Resolution as provided in Desk Item 4 which states that Council is setting aside the CIC's recommendation and making its own determination; and, 3) Council may remand this item back to the CIC to reconsider without the input of the recused Commissioner.

On Council consensus this item was heard at tonight's meeting.

Senior Planner Daniel Fama reviewed the Staff Report dated July 20, 2021 and noted that pursuant to City Council Policy 7.12 – Naming of Public and Private Streets, an interested party may make a request for a new street name to the CIC who shall make a recommendation for approval or denial to the City Council. Robson Homes has requested a new public street name in relation to their Mozart Avenue Project and feel the name of "Oak Tree Circle" better recognizes the efforts the developers took to preserve the native trees.

There were no public comments on this item.

Mayor Gibbons expressed concern relating to the street naming policy which allows for name change requests after final approval of a project and requested staff review and recommend updates to the policy and process.

In response to an inquiry from Vice Mayor Resnikoff, Senior Planner Fama stated that there is no fee to request a name change, but there will be fees assessed to change the name on the permits which will total approximately \$5,000 in this case.

Council confirmed consensus for staff to review the street naming policy.

**M/S: Bybee/Landry – That the City Council adopt the amended Resolution 12737, including Desk Item 4, approving a new public street name of Oak Tree Circle. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [UNANIMOUS]</b>
<b>MOVER:</b>	Bybee
<b>SECONDER:</b>	Landry
<b>AYES:</b>	Gibbons, Resnikoff, Bybee, Landry, Lopez

5. **Commending Syed Wahidi Upon His Retirement After 20 Years of Outstanding Service with the City of Campbell (Resolution/Roll Call Vote)**  
Recommended Action: That the City Council adopt a Resolution commending Syed Wahidi for twenty years of outstanding service to the City of Campbell.

Councilmembers expressed appreciation to Syed Wahidi for his many years of dedicated public service and to serving the residents of Campbell with the utmost professionalism and courtesy.

Public Works Director Todd Capurso congratulated Syed Wahidi on his retirement and noted that the Staff of the Public Works Department all miss him dearly already.

Syed Wahidi thanked the Council and the City staff for their wonderful wishes and stated that he is very grateful to have been a part of the Campbell family for so long.

**M/S: Landry/Bybee – That the City Council adopt Resolution 12738 commending Syed Wahidi for twenty years of outstanding service to the City of Campbell. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [UNANIMOUS]</b>
<b>MOVER:</b>	Landry
<b>SECONDER:</b>	Bybee
<b>AYES:</b>	Gibbons, Resnikoff, Bybee, Landry, Lopez

## **PUBLIC HEARINGS AND INTRODUCTION OF ORDINANCES**

6. **Lighting and Landscaping District, Fiscal Year 2021/22 - Confirming Assessments (Resolution/Roll Call Vote)**  
Recommended Action: That the City Council adopt a Resolution overruling protests, if any, approving the Engineer's Report, ordering the improvements, and confirming the diagram and assessments.

This is the time and place for a public hearing for comments regarding the levy of assessments for the City of Campbell Lighting and Landscaping District (LLA-1) for Fiscal Year (FY) 2021/22 and adopt a resolution overruling protests, if any, approving the Engineer's Report, ordering the improvements, and confirming the diagram and assessments.

Mayor Gibbons gave opening statements, declared the public hearing open and asked if there was anyone in the audience wishing to be heard.

City Clerk Christopherson read the Clerk's statement verifying public hearing notification and stated that no protests were received.

Senior Civil Engineer Roger Storz, provided a statement regarding the nature of

the lighting and landscape district.

There being no one wishing to speak, Mayor Gibbons closed the public hearing.

**M/S: Landry/Bybee – That the City Council adopt Resolution 12739 overruling protests, if any, approving the Engineer’s Report, ordering the improvements, and confirming the diagram and assessments. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [UNANIMOUS]</b>
<b>MOVER:</b>	Landry
<b>SECONDER:</b>	Bybee
<b>AYES:</b>	Gibbons, Resnikoff, Bybee, Landry, Lopez

**NEW BUSINESS**

**7. Resolution Authorizing an Ad Valorem Tax Levy Based on a Debt Service Estimate to be Provided to Santa Clara County Respecting Sold and Unsold General Obligation Bonds for Fiscal Year 2021-22 and Increasing the Revenue Estimate in Fund 348 (Measure O Bond) to Account for Anticipated Measure O Property Tax Levy Revenue in Fiscal Year 2021-22 (Resolution/Roll Call Vote)**

Recommended Action: That the City Council adopt a Resolution authorizing an ad valorem tax levy based on a debt service estimate to be provided to Santa Clara County respecting sold and unsold general obligation bonds for Fiscal Year 2021-22 and increasing the revenue estimate in Fund 348 (Measure O Bond) to account for anticipated Measure O Property Tax Levy revenue in Fiscal Year (FY) 2021-22.

Vice Mayor Resnikoff declared a conflict of interest as his private residence lies within 500 feet of the subject property. Vice Mayor Resnikoff recused himself and removed himself from the conversation by turning off his microphone and video camera.

Finance Director Fuentes presented a Staff Report dated July 20, 2021 noting that on July 16, 2019 Council adopted a Resolution setting an initial tax rate of \$10 per \$100,000 of assessed valuation for the payment of Measure O debt service for FY 2019-20 and maintained that tax rate for the FY 2020-21 year. Staff is requesting Council authorize an Ad Valorem tax levy of \$17.50 per \$100,000 (.0175%) of assessed valuation on taxable property within the City of Campbell. This rate is sufficient to meet estimated debt service needs in FY 2021-22. Given the sale of the initial series of bonds, actual assessed values through FY 2020-21 and the projected second series of bonds in the summer of 2022, City staff and the financing team now estimate an average tax rate of \$15.27 per \$100,000 of assessed valuation, a maximum tax rate of \$21.65 per \$100,000 of assessed valuation, and total debt service costs of \$79.9 million; thereby providing an estimated savings to taxpayers of \$10.6 million. If approved,

a Measure O property tax levy of \$17.50 per \$100,000 of assessed valuation within the City of Campbell in FY 2021-22 will generate approximately \$2.15 million and support actual and estimated debt service costs. Since an appropriate Measure O property tax levy for FY 2021-22 tax rate was still being analyzed and developed at the time of the FY 2021-22 budget adoption, a lower Measure O property tax revenue estimate of \$1.2 million was reflected in the FY 2021-22 Budget. And thus, staff is also recommending increasing the property tax revenue estimate by \$935,000 to account for the variance.

Mayor Gibbons noted that Measure O bond funds can only be used to pay the debt service and will be segregated from the City's general fund and stated that a Measure O Oversight Board will be established in the near future and interested residents should watch for the opportunity to serve.

Councilmembers expressed appreciation to the financing team for their dedicated and responsible fiscal management of Measure O Bond funds.

**M/S: Lopez/Landry – That the City Council adopt amended Resolution 12740, as presented in Desk Item 7, authorizing an ad valorem tax levy based on a debt service estimate to be provided to Santa Clara County respecting sold and unsold general obligation bonds for Fiscal Year 2021-22 and increasing the revenue estimate in Fund 348 (Measure O Bond) to account for anticipated Measure O Property Tax Levy revenue in Fiscal Year 2021-22. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [4 TO 1]</b>
<b>MOVER:</b>	Lopez
<b>SECONDER:</b>	Landry
<b>AYES:</b>	Gibbons, Bybee, Landry, Lopez
<b>RECUSED:</b>	Resnikoff

## **UNFINISHED BUSINESS**

### **8. Measure O - Library Design Development**

Recommended Action: That the City Council provide direction to staff for the Measure O - Library Design Development.

Mayor Gibbons noted that this item is for the continuation of the conversation from the Study Session and to confirm Council consensus for Staff.

Abraham Jayson, Principal, Jayson Architecture clarified that there are three types of contingency's used in public construction projects; 1) construction contingency which is used to cover any unforeseen construction items that need to be taken care of, generally set at 10%; 2) design contingency which is set by a third party cost estimator and starts at 10% and steps down from there as project documents and details are fully known; and 3) a project contingency which is a buffer for the entirety of the project to cover issues that may arise which are not

already covered in other contingencies. Mr. Jayson noted that at this stage, it is appropriate for the design contingency to be reduced to 5% as the project documents are further being developed.

In response to an inquiry from Vice Mayor Resnikoff, Mr. Jayson stated that most public projects do not utilize the entire 10% contingency, and at the point all design documents are complete the City can decide to utilize those remaining funds elsewhere for Civic Center Improvements per Measure O Bond guidelines.

Vice Mayor Resnikoff stated that he would be most comfortable with a conservative approach, to reserve any savings that have been identified to be used for potential unforeseen needs or cost overruns in other areas, such as the \$177,000 saved from the temporary library facility and use that for contingencies.

Councilmembers expressed concern that the overall project budget is a bit too tight and expressed support for keeping the design contingency at 10% instead of reducing it to 5% at this time.

In response to an inquiry from Councilmember Bybee, Mr. Jayson noted that what is being presented to Council today is the design concepts with all of the favorable add alternates included in the project. As the design further develops and project funds are more clearly defined, there will need to be conversations had about these favorable add alternates, and if funding is not sufficient to include all of them, what would Council and the Library District choose to eliminate from the design. Industry practice is to identify these more unfavorable options as the design process gets to the 95% complete phase.

In response to an inquiry from Councilmember Lopez, Mr. Jayson clarified the cost estimator's role in the project, what they base their estimates on and how accurate they have been in the public project estimating industry over the years. Mr. Jayson and Public Works Director Capurso stressed that there could be cost implications for any delays in the project schedule as the cost estimator uses a fixed point in the future to estimate costs, and if this fixed point in the future is pushed back, the cost to the City could be as much as \$60,000 per month.

Mayor Gibbons stated that she would feel more comfortable to start with the unfavorable add alternates to obtain a base project cost and then select the more favorable add alternates as funds allow.

Mr. Jayson stated that he acknowledges Council's concern relating to the tightness of the budget and that he could bring the unfavorable add alternates to Council for review at the 65% design review phase instead of the 95% design review phase.

Councilmembers confirmed consensus to keep the design contingency at 10% and to bring back the unfavorable add alternates at the 65% design review phase.

**9. Approval of Plans and Specifications, Authorize Solicitation of Bids, Award of Contracts, and Other Associated Actions for the Campbell Park Improvements Project 17-DD (Resolution/Roll Call Vote)**

Recommended Action: That the City Council adopt a Resolution approving the plans and specifications; authorizing the Public Works Director to advertise for bids and award the project; authorizing City Manager to execute a construction contract to the lowest responsive and responsible bidder in an amount not to exceed \$1,661,000 and encumber a 10% construction contingency; authorizing the City Engineer to negotiate and execute contract change orders up to and within the allocated construction contingency; and authorizing the Public Works Director to reject bids and re-bid the project, should bids received have unamenable irregularities.

Public Works Director Capurso presented a Staff Report dated July 20, 2021 and noted that after extensive planning and review sessions by the public, the Parks and Recreation Commission, and the City Council the final project design includes an increased park foot print, enhanced and updated playground equipment, new restroom facility and a reconfigured pathway. The base construction contract is estimated at \$1,661,000, adding a 10% construction contingency of \$166,100, the final engineer's cost estimate for the Campbell Park Improvements Project is \$1,827,100 largely being funded from the Parkland Dedication Fund.

Councilwoman Landry thanked staff for their effort and noted she liked the project and was happy with the changes that were made, she did express concerns relating to the storage tank and pump location and the ability for a double swing gate to operate effectively in that location.

In response to an inquiry from Mayor Gibbons, Public Works Director Capurso noted that staff reviewed the possibility of adding one family restroom with a locking door to the restroom design, however given the cost implications to add another restroom and the maintenance and security concerns about having a locking restroom in an unmanned park facility, this restroom option was not included in the final park design.

There were no public comments.

**M/S: Landry/Bybee – That the City Council adopt Resolution 12741 approving the plans and specifications; authorizing the Public Works Director to advertise for bids and award the project; authorizing City Manager to execute a construction contract to the lowest responsive and responsible bidder in an amount not to exceed \$1,661,000 and encumber a 10% construction contingency; authorizing the City Engineer to negotiate and execute contract change orders up to and within the allocated construction contingency; and authorizing the Public Works Director to reject bids and re-bid the project, should bids received have unamenable irregularities, including Desk Item 9. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [4 TO 1]</b>
<b>MOVER:</b>	Landry
<b>SECONDER:</b>	Bybee
<b>AYES:</b>	Resnikoff, Bybee, Landry, Lopez
<b>NOES:</b>	Gibbons

**10. Resolution Authorizing the City Manager to Execute a 5-Year Lease-Purchase Contract with Municipal Asset Management Inc. for the Sole Source Purchase of an Armored Rescue Vehicle from Lenco Armored Vehicles (Resolution/Roll Call Vote)**

Recommended Action: That the City Council adopt a Resolution authorizing the City Manager to execute a 5-Year Lease-Purchase Contract with Municipal Asset Management Inc., for the sole source purchase of an armored rescue vehicle from Lenco Armored Vehicles.

Police Chief Gary Berg presented a Staff Report dated July 20, 2021, stating that as part of the Fiscal Year 2021-2022 Operating Budget and the 2022-2026 Capital Improvement Plan (CIP) Council approved the purchase of an armored rescue vehicle for a total of \$312,750. Since approval, Staff has further reviewed equipment options and reduced the total price of the vehicle by \$11,000. Staff's recommendation is to utilize a 5 – year Lease Purchase Contract with annual payments of \$62,550 to purchase the armored rescue vehicle.

In response to an inquiry from Mayor Gibbons, Finance Director Fuentes stated that with interest rates so low, it is preferable to utilize the Lease-Purchase option than to purchase the vehicle outright, which will free up some of the funds in the CIP for other purchases.

In response to an inquiry from Councilmember Lopez, Police Chief Berg clarified that the Police Department is retiring an older diesel truck which has served a dual purpose of storing and transporting equipment and personnel and serving as a command post during incidents. The Department intends to store and transport equipment in the new armored rescue vehicle and utilize the new Mobile Emergency Operations Center vehicle as a command post during incidents. By retiring the older vehicle, the Department expects to realize some maintenance cost savings.

**M/S: Resnikoff/Bybee – That the City Council adopt Resolution 12742 authorizing the City Manager to execute a 5-Year Lease-Purchase Contract with Municipal Asset Management Inc., for the sole source purchase of an armored rescue vehicle from Lenco Armored Vehicles. The motion was adopted by the following roll call vote:**

<b>RESULT:</b>	<b>ADOPTED [3 TO 2]</b>
<b>MOVER:</b>	Resnikoff
<b>SECONDER:</b>	Bybee
<b>AYES:</b>	Resnikoff, Bybee, Landry
<b>NOES:</b>	Gibbons, Lopez

## **COUNCIL COMMITTEE REPORTS**

### 11. **Council Committee Reports**

Recommended Action: Report on committee assignments and general comments.

Councilmember Bybee reported that the Santa Clara County Cities Association (SCCCA) met in June and heard a presentation by the Sunnyvale Police Department about a Virtual Reality Training for officers. SCCCA has asked for members to discuss with City Council and provide feedback at their next meeting. This item will be on the August 3, 2021 Council Agenda. Councilmember Bybee reported that the Downtown Subcommittee met and there will be a Wine Walk held on July 23, 2021 from 6:00 p.m. to 9:00 p.m., and the event is already sold out.

Councilwoman Landry attended the Ben's Barketplace ribbon cutting ceremony, and has been holding meetings with Assemblymember Evan Low, Senator Dave Cortese, County Supervisor Susan Ellenberg, and City of San Jose Councilmember Pam Foley regarding the development projects on the border of San Jose and Campbell and how those project requirements could be coordinated between the cities to mitigate resident impacts.

Councilmember Lopez attended the Association of Bay Area Governments (ABAG) General Assembly meeting in June and the Ben's Barketplace ribbon cutting ceremony. The Legislative Subcommittee met to discuss new legislation and to consider ways to better add our voices to the process. Councilmember Lopez attended the memorial for the nine VTA workers lost in the workplace shooting that took place on June 2, 2021.

Vice Mayor Resnikoff attended the Ben's Barketplace ribbon cutting ceremony and noted how nice it was to see new businesses opening up and how the community came out to support the business.

Mayor Gibbons reported that she is enjoying the discussions at the Legislative Subcommittee and highlighted a need for improved coordination with the State relating to dates and deadlines. Mayor Gibbons reported that the Silicon Valley Clean Energy Authority (SVCEA) currently has two programs for solar and battery rebates and are initiating new programs to help customers save and to meet new State guidelines. The SVCEA has contracted for \$1.6 billion dollars of new power, with \$1.2 billion of those dollars in alternative forms of energy, 100%

carbon free and renewable. The City and County are holding COVID vaccine pop up events in Downtown Campbell.

**ADJOURN**

Mayor Gibbons adjourned the meeting at 10:29 p.m.

APPROVED:

ATTEST:

\_\_\_\_\_  
Elizabeth 'Liz' Gibbons, Mayor

\_\_\_\_\_  
Dusty Christopherson, City Clerk
