

Project Name:

Forest-Rosa 5 - Westmont Ave and Harriet Ave Sanitary Sewer Improvement

Council District:

01

Location:

Along Westmont Avenue from San Tomas Aquino Creek to Silacci Drive, Silacci Drive from Westmont Avenue to Harriet Avenue, and Harriet Ave from Silacci Drive to Keith Avenue. The proposed improvement will encroach onto West Valley Sanitation District in the City of Campbell and across San Tomas Aquino Creek at Harriet Avenue. (Forest-Rosa 5).

Description:

Install approximately 6,300 feet of new 15-inch and 18-inch sanitary sewer pipe along Westmont Ave, Silacci Drive, and Harriet Avenue to supplement the existing 21-inch sanitary sewer system in the project area along San Tomas Aquino creek, and install new multiple-barrel sanitary sewer siphon to replace an existing single 8-inch siphon under San Tomas Aquino Creek at Harriet Avenue.

The proposed improvement will encroach onto West Valley Sanitation District in the City of Campbell and onto Santa Clara Valley Water District across the San Tomas Aquino Creek on Harriet Avenue.

Apparent Low bidder: Bay Pacific Pipelines, Inc.

Bid Amount: \$4,304,825.30

Streets to be impacted:

Westmont Avenue (San Jose), Silacci Drive (Campbell) and Harriett Avenue (Campbell/San Jose).

Phase:

Phase IV - Bid/Award

Current Status:

Council awarded contract to Bay Pacific Pipelines, Inc. on May 21, 2019.
