PLANNING APPLICATION CHECKLIST
STANDARD SUBDIVISIONS

(Download at <http://bit.ly/subdivisionchecklist>)

This Planning Application Checklist (“Checklist”) is intended to facilitate the submittal of a development application to the City of Campbell Planning Division. Please note that there are specific Checklists for different application types (e.g., single-family homes, land use changes, planned developments, etc.). If you are unsure of which Checklist to refer, please visit the Planning Application Checklists webpage at <http://bit.ly/appchecklists>. If you need additional assistance, please contact the Planning Division at (408) 866-2140 or planning@campbellca.gov, or visit us at City Hall.

APPLICATION TYPES

This Checklist is to be used for **Standard Subdivisions** only, either a Tentative Parcel Map or a Tentative Subdivision Map as the *primary* application type without any other associated development. Standard Subdivision projects may also include a Variance or Tree Removal Permit requests as a *secondary* application, which may be accommodated if submitted in association with the subdivision application. Proposals to concurrently subdivide and develop a property should be processed as either a General Development Project (see <http://bit.ly/generalprojectschecklist>) or a Planned Development Project (see <http://bit.ly/pdprojectschecklist>).

| Note: Common lots are included in the total number of lots. | |

DIGITAL SUBMISSION REQUIRED

The City of Campbell utilizes an online permit system called MyGovernmentOnline (“MGO”). **All applications for a development permit must be electronically submitted through the MGO system**, accessible at <http://bit.ly/planningmgo>. Before you submit an application for the first time, you must create a user account. For more information, please visit the City’s Application Center at <http://bit.ly/campbellappcenter>. MGO also offers a customer service support line at (866) 957-3764 if you need assistance in creating a user account and/or navigating the system. Questions related to the application submittal requirements specified by this Checklist should be directed to the Planning Division at (408) 866-2140 or planning@campbellca.gov. If you require accommodation, there is a public kiosk in the Community Development Department that you may use to submit an application through the MGO system and/or create a user account. However, as noted further in the Checklist, all application materials must be provided electronically; if you wish to use the public kiosk you must bring your application materials on a USB flash drive. For security reasons, application materials may not be downloaded or emailed to the kiosk computer.

ENVIRONMENTAL (CEQA) REVIEW

An application for a Tentative Subdivision Map (with or without a secondary application) will require formal environmental review under the California Environmental Quality Act (CEQA). This will entail preparation of an Initial Study (IS) and associated Mitigated Negative Declaration (MND) by the City. To aid in the preparation of an IS/MND, submittal of certain technical and supporting documents is required as specified further in this Checklist. An application for a Tentative Parcel Map is generally considered “exempt” under CEQA and not subject to formal environmental review.

REQUIRED APPLICATION MATERIALS

Unless specifically excluded by a staff planner in writing, the following Application Materials, as specified in the table, below, are required for a development application to be deemed "complete" under the [California Permit Streamlining Act](#). Upon submittal to the MGO system, a staff planner will review your uploaded materials for general adequacy with specifications stated in the table, below, as well as with the additional requirements provided in the following sections. If the required Application Materials are missing, clearly inadequate, mislabeled, or in an incorrect format, the application will not be accepted. You will be notified through the MGO system if your application has been accepted or rejected. Further, please be advised that the submission of Application Materials, including when responding to a notice of incompleteness, must be provided all together and cannot be piecemealed.

PROJECT PLAN PREPARATION REQUIREMENTS

Project Plans submitted for a development application must adhere to the following requirements:

- Be professionally prepared by a licensed architect and/or engineer;
- Be drawn to a standard architectural and/or engineering scale (e.g., 1/4" = 1' or 1" = 20');
- Indicate the name, company, address, phone number, email, and stamp of the plan author(s);
- Specify the date of preparation; document version (deltas); noted and graphical scale; and north arrow (as applicable);
- Be produced in a uniform size (all sheets) of 24" x 36" (ARCH 'D'). Other sizes, including larger formats such as 36" x 48" (ARCH 'E') will not be accepted;
- Incorporate all the required plan sheets, inclusive of architectural, civil, and landscaping sheets, into a single set of Project Plans; and
- Be natively generated by a CAD application program, rather than printed and scanned. Scanned hand-drawn plans will also not be accepted.

APPLICATION MATERIALS SUBMITTAL REQUIREMENTS

Application materials must be provided electronically and in hard copy as specified:

- **Electronic copies** of all Application Materials must be provided in [Adobe PDF](#) format only (i.e., no JPEG, PNG, DOC, etc.), **using the standardized file naming format specified in the table, below**. Please do not add dates, numbers, acronyms, special characters (!, @, #, \$, %, ^, &, ", ", and *), version numbers or prefix numbers to the file names. Please also ensure that the Project Plans, inclusive of architectural, civil, and landscaping sheets, **are combined into a single PDF file**. Separate PDF files will not be accepted and will result in rejection of your application.
- **Printed copies** of the Project Plans collated and stapled together, inclusive of architectural, civil, and landscaping sheets, are also required as follows. **Printed copies must be provided within two (2) business days of application submittal**, which may be provided in-person at City Hall or by overnight mail.
 - Two (2) full size copies (24" x 36") [folded to letter size](#) (if possible, otherwise submit rolled and rubber-banded). **At least one (1) copy must be provided in color.**
 - One (1) reduced size *color* copy (11" x 17")

APPLICATION FEES

Payment of application fees is required for submittal of all development applications. Once your application has been accepted, an invoice with instructions for payment will be emailed to you. **Payment of the application fees must made within two (2) business days.** Failure to pay by the payment deadline will cause the application to be rejected and you will have to resubmit. The application fee schedule is available at <http://bit.ly/feesplanning>. Please note that the City charges a surcharge fee for all credit/debit card and ACH (e-check) transactions in the amount of 4% and 1%, respectively. Cash or check payments may be made at the City Finance Department at no additional cost.
