DIGITAL SUBMISSION REQUIRED

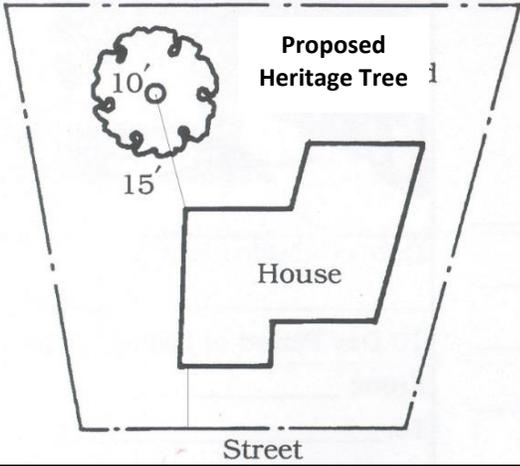

The City of Campbell utilizes an online permit system called MyGovernmentOnline (“MGO”). **All applications for a development permit must be electronically submitted through the MGO system**, accessible at <http://bit.ly/planningmgo>. Before you submit an application for the first time, you must create a user account. For more information, please visit the City’s Application Center at <http://bit.ly/campbellappcenter>. MGO also offers a customer service support line at (866) 957-3764 if you need assistance in creating a user account and/or navigating the system. Questions related to the application submittal requirements specified by this Checklist should be directed to the Planning Division at (408) 866-2140 or planning@campbellca.gov. If you require accommodation, there is a public kiosk in the Community Development Department that you may use to submit an application through the MGO system and/or create a user account. However, as noted further in the Checklist, all application materials must be provided electronically; if you wish to use the public kiosk you must bring your application materials on a USB flash drive. For security reasons, application materials may not be downloaded or emailed to the kiosk computer.
