

IMPORTANT 72-HOUR NOTICE FOR
ELECTRICAL WORK
PLEASE READ CAREFULLY

**Annual Street Maintenance Project 18-XX:
Winchester Boulevard Street Resurfacing Project**

WHO: Bear Electrical Solutions for MCK Services, Inc. (who is under contract with the City of Campbell)

WHAT: Will be conducting traffic signal modification work.

WHERE: Work will occur at the Northwest corner of the intersection at Winchester Boulevard and Camden Avenue.

WHEN: Work will start the week of 5/6/2020. It is estimated that this portion of the project will be completed by 5/29/2020. Working hours will be between 8:30 AM and 4:30PM Monday through Friday.

WHY: This advance work is necessary to help facilitate the construction of a new ADA compliant accessibility ramp at said corner, which will be constructed at a later date.

WHAT TO EXPECT:

- Typical construction noise.
- Access to the sidewalk may be impaired and/or closed for several days during construction.
- Potential traffic and/or driveway delays.
- Lane closures.

ADVISORIES:

- **WATCH FOR SIGNS & WORKERS** – For your safety and for the safety of the construction workers, please obey all posted traffic control signs and instructions from construction workers. Please be mindful of the work.
- **PLAN AHEAD** – Allocate more time or take a different route.
- **BE PATIENT** – Noise, debris, and delays on this type of construction project is unavoidable. Please understand that the crews will be working diligently to minimize the construction impact to your daily lives.
