

Campbell On Sale

City of Campbell's

Come and register for the City of Campbell's Annual Community Garage Sale, "CAMPBELL ON SALE"! This year it will be held on Saturday, October 9, 2021 from 8:00 a.m. to 4:00 p.m. (We will still be following the current State and County guidelines for COVID19; may be subject to cancellation if needed)

Every household will be able to register with the City and have their October 9th garage sale publicized in the local press for free! All registrants will receive information containing tips on having a successful garage sale and a resale resource list.

This is a great opportunity to take part in CAMPBELL ON SALE. So, clean your garage, closets and attic of toys, tools, clothes, furniture and other goodies that are lingering and collecting dust. Have fun getting neighbors to participate and turn it into an amazing block party!
